Continuation of Substance of Interview including description of the general nature of what was discussed:

The examiner left a voicemail message for Applicant's representative on April 19, 2010 indicating that the rejection of record would be withdrawn in view of Applicant's arguments of record. Additionally, the examiner suggested alternate claim language for claim 4 with regard to the transitional phrase "consisting essentially of". Applicant's representative subsequently left a voicemail message for the examiner on April 23, 2010 indicating that the suggested alternate language would not be agreed to by Applicant. The examiner left a subsequent voicemail message for Applicant's representative on April 26, 2010, indicating that the claim language would be unaltered and that all claims are in condition for allowance.
